

2024-2025 Butler Cheer Individual Expense Sheet

NOTES:

- *Expenses are not all due at once. We use a payment schedule to lower the burden.
- *Athletic fee is paid to BASD, NOT BHS Cheer.
- *Operational program costs are used to help aid in team bonding expenses, replace uniform pieces when unalterable, purchase new equipment for the program, supplemental instruction, etc.
- *The first obligation fee will be due at the first parent meeting after tryouts.
- *JV game squad members who make Varsity competition will need to purchase Varsity game squad clothing items in addition to JV.
